[illegible]

A decorative border at the bottom of the page consisting of a series of black circles and vertical bars of varying heights, creating a rhythmic, abstract pattern.

Ocircumflex

A decorative border at the bottom of the page consisting of a series of black circles and vertical bars of varying heights, creating a rhythmic, abstract pattern.

multiply

Udieresis

A horizontal sequence of 24 stylized, bold, black letters 'C' and '5' in various orientations and sizes, creating a dense, abstract pattern. The letters are arranged in a way that they overlap and flow from left to right, with some 'C's and '5's appearing as outlines and others as solid black shapes. The overall effect is a rhythmic, graphic element that serves as a visual separator or a decorative header.
